Election Day Plans Completed, Ready For Voting Tuesday

County Commissioners at their regular meeting Monday devoted a large part of the session to clearing up final details for the May 2 election.

On Motion of Commissioner C. Y. Byrd, of Delray Beach, Charles E. Turner, who originally filed from District 4 as a commission candidate, was permitted to withdraw from the race for the post which Byrd will vacate. Illness was given as the reason for the withdrawal.

The action on the Turner case brought up other questions which were debated by the entire board.

Attorney Harry Johnston was asked by the board to decide whether or not a candidate who had failed to file an expense account would be permitted to have his name on the ballot. Johnston, quoting from state statutes, said failure of a candidate to file an expense account would automatically exclude his name from the race. The issue was brought up following the withdrawal of the state committeeman candidate and the failure of a second to file an account.

James Turnage, county voting machine custodian, reported that 25 extra machines which the county rented for \$5,200 which will be applied against eventual purchase, had arrived and that 25 of the machines would be used in the West Palm Beach and Riviera Beach municipal elections.

Turnage said the new machines had some improvement over old equipment now in county use. Commissioner John Prince, of Lake Worth, said that under an agreement with the company from which the machines had been rented, payment was not required until this coming fall, but he submitted a motion which won approval to pay freight on the new equipment.

On motion of Canal Point Commissioner Paul Rardin, Turnage was authorized to purchase 100 metal chairs at \$2.53 each for use in polling places. The custodian told the commissioners that heretofore the county had difficulty borrowing or renting enough chairs for polling places.

Circuit Clerk J. Alex Arnett told the commission that he had been advised by state officials that any runoff from the county election would be held on May 23.

Softball League Is Proposed For Women

Persons interested in organizing a Woman's Softball League are asked to report at the Pahokee city park Sunday, April 30, at 3 p. m., at which time it is hoped three teams will be organized.

Miss Julia Beckman, girls physical education director at Pahokee High School, will coach the teams. Several women have been practicing softball at the park this week.

Mr. and Mrs. Manning I. Keen had as guests over the weekend Mr. and Mrs. Ross Williams of Miami.

Lions Governor Visits Canal Point.

Ross Witters of Coral Gables, Lions district governor, was guest speaker at the regular dinner meeting of the Canal Point Lions Club Monday night. The subject of his talk was "The Progress of Lionism in the State."

Mr. Witters also outlined the program of activities to take place at the Lions State Convention in Pensacola May 21-23. He was introduced by A. R. Harrington, president, who will represent the club as a delegate to the State Convention.

Supt. Belle Glade Hospital Is Given Confidence Vote

BELLE GLADE — A vote of endorsement and confidence was accorded Ernest H. Fiedler, superintendent of the Belle Glade Memorial Hospital, by the board of the Southwestern Palm Beach County Public Hospital at a regular meeting here.

A similar unanimous vote was given by the medical staff at their March meeting. Board members also passed resolutions commending the nursing staff for its excellent work for the hospital and community.

Board members were told the hospital has been approved by the American Medical Assn., is a member of the American Hospital Assn., the Florida Hospital Assn., the Southeastern Hospital Conference and the Blue Cross.

Improvements undertaken by the board were reported nearly completed at this time. These include: Repainting of hospital and nurses' homes, repair of flooring, installation of new roof, installation of new heating plant with greater efficiency and lower cost.

Plans were made for celebrating National Hospital Day May 12 with tours of the hospital from noon to 4 p. m. The Hospital Auxiliary will serve refreshments.

Election Day Will Be Poppy Day

Members of the American Legion Auxiliary, Post 90, will conduct their annual Poppy Day drive in Pahokee on election day, May 2, according to Mrs. Rena Canipe, who is chairman of the committee in charge of Poppy Day activities.

The goal of the group is for everyone in the community to wear a memorial poppy on Poppy Day as a tribute to our men in veteran hospitals throughout the state who fabricate the beautiful little paper flowers, Mrs. Canipe said. All proceeds go toward the rehabilitation of disabled veterans, to the crippled children homes in St. Petersburg and Pensacola and into a scholarship fund for veterans and their children.

The importance of public cooperation in the Poppy Day drive was explained to local civic groups this week by Clyde Canipe, Jack Phillips and Edward Jensen.

Rotary Club Holds Ladies' Night; Fine Program Enjoyed

Members of the Pahokee Rotary Club honored the Rotary Arms at a dinner and special program in the Woman's Club building Monday night. D. D. Caudill of Lake Worth and Rev. C. A. Moberg of Miami, former club members, and their wives were also guests of honor.

P. P. deMoya was in charge of the program and John A. Dulany introduced the guests. Myra Jones, small daughter of Mr. and Mrs. Elmer Jones, sang "If I Knew You Were Coming, I'd Have Baked a Cake," accompanied at the piano by her father. Mr. and Mrs. Caudill sang several selections of western and hill billy music, with Mr. Caudill accompanying on the guitar. Mrs. Moberg sang three vocal solos, accompanied at the piano by Rev. Moberg, who also played several piano selections.

The Rotary Arms were presented with gold compact bearing the Rotary emblem. Plates were laid for approximately 200 guests and guests. Jack Jones, Elmer Jones were in charge of general arrangements and to say that they did an outstanding job is putting it mildly.

Mrs. W. H. Key and her very able assistants served a delectable turkey dinner. Fresh Lake Region vegetables for the dinner were furnished by farmers who are members of the club.

Band Concert Will Be Repeated Tonite

Robert O. Lampi's Pahokee High School Band, in cooperation with the management of the Prince Theatre, presented a benefit band concert at the Theatre yesterday evening and will give a repeat performance this Friday evening. The concert is being presented in addition to the showing of the feature picture, "Streets of Laredo," and the band's share of the net proceeds will go toward helping defray the expense of attending the State Band Contest in Miami May 4-6.

The band is offering an entertaining group of numbers as follows: The Thunderer March—Souza; Poet and Peasant Overture—Von Suppe; Under the Double Eagle—Wagner; Big Time Boggie—Moffitt; St. Louis Blues March—Handy; Bartlesville Boogie—Paulson; London Suite—Vall; Bells of St. Marys—Adams; The Crosey March—Fillmore; Western Idyle—Walters; and The Stars and Stripes Forever—Souza. The motion picture is also reported to be good, so here is an excellent opportunity for the public to receive some topnotch entertainment while assisting in a worthy cause.

Mrs. Pearl Handley of Cleveland spent the past week in Pahokee visiting her son and daughter-in-law, Mr. and Mrs. Thomas Handley, before leaving this weekend to spend the summer at Atlantic Beach, N. C.

Political Rally And Fish Fry By City Candidates In Pahokee Monday Night

National Guard On Week End Firing Trip

Company E of the National Guard spent Saturday and Sunday on a week end firing trip at West Palm Beach, under the direction of Lt. Gene Pickren. About thirty members were in attendance and enjoyed their work on the rifle range on Saturday and Sunday.

Thomas E. Baldwin Named President Pahokee Lions Club

Thomas E. Baldwin was elected president of the Pahokee Lions Club at the annual election of club officers held in the Lions Hall during the regular luncheon meeting Tuesday.

Other new officers chosen for the coming year were James W. Vann, first vice president; D. S. Spooner, second vice president; Clyde A. Canipe, third vice president; Ralph Johnson, tall twister; Emmett Holt, lion tamer; R. J. Schroder, secretary; Albert Snyder, treasurer; Curtis Chae and Leonard Dobrow, directors, with two-year terms each.

M. P. Stanley, owner of the Stanley Chevrolet Agency, was received as a new member. District Governor Ross Witters was a guest.

The club passed a resolution asking the Palm Beach Port Commission to rebuild the Pahokee dock which was destroyed in the 1947 hurricane. A resolution was also passed announcing the club's official approval of the proposed scenic highway on top of the levee around Lake Okeechobee.

An old-fashioned political rally and fish fry will be staged by Pahokee city candidates Monday night on Lair Field in Pahokee with the fish fry scheduled to get under way around 5:30 o'clock. Twenty candidates seeking political office in Pahokee are staging the big event and all citizens of Pahokee are cordially invited to attend.

Following the fish fry and starting at 7:45 o'clock will be the public speaking in the school auditorium. The 20 candidates will be allotted a certain number of minutes in which to deliver their speech and tell of their qualifications for the office they seek. County Commissioner Paul Rardin, who lives in Canal Point and is not a candidate, this time, will be chairman of the meeting and introduce the candidates.

Candidates for seats on the council will appear first before the microphone, according to present plans for the night. In all probability they will have less time than candidates for other offices.

Following the council candidates those seeking the police chief's toga will make their appearance and they will be followed by the two candidates for city clerk.

Last speakers on the program will be those who are seeking the city's highest office—that of Mayor. There are five in this particular group and citizens attending the rally will be there expecting some certain and definite programs and platforms from the mayoralty candidates.

Councilman candidates in whose hands will rest the city government after next Tuesday, are sure to have important matters to put before the voters at the rally.

If you are a citizen of Pahokee and have a voice in city government, you are invited to attend the fish fry and rally Monday night. Don't forget the starting hour for the fish fry—5:30 p. m.—then the speaking will start at 7:45 in the school auditorium. Be there!

Census Work Nears Completion In Area

The census taking in the Glades area is about completed, according to Mrs. Miriam L. Dulany, crew-leader. There are, however, still a few call backs to be made in some white areas and some agriculture questionnaires to be filled out by some of the farmers, but most of the people have been enumerated with the exception of certain large negro areas which will be completed by May 1.

If anyone has been omitted from the enumeration it was accidental and such persons are requested to contact Mrs. Dulany, phone 3761, Pahokee, and they will be immediately enumerated.

T. W. Jenkins is reported to be critically ill at the Everglades Memorial Hospital.

Increasing foreign shipments of fruits and vegetables have become so heavy that competition threatens to put Florida growers out of business as they cannot produce and compete with low cost foreign labor, according to officials of the Florida Fruit and Vegetable Association.

Members attending the Kiwanis International convention in Miami next month will see an interesting display furnished by the United States Sugar Corporation at Clewiston.

Smart folks will vote early and avoid the rush. Be among the first to have your say on May 2.

Before You Vote Ask Yourself these Questions: -

How was I doing before Roosevelt??

How am I doing TODAY??

This senatorial election has a lot of issues - but none more important than the ones that concern you as an individual!

ISN'T IT TRUE - that today you, your family, and your friends are sharing more of the good things of life than ever before?

ISN'T IT TRUE - that today people's earnings and wages - even dividends - are at an all-time high?

ISN'T IT TRUE - that things like Social Security, Minimum Wage, and Farm Support have increased everyone's income and security?

and... ISN'T IT TRUE - that most of these measures were created by real Democrats like Roosevelt and Pepper?

Before you vote ask yourself - How am I doing Today? Then vote to return to office a man who has done so much for the prosperity of all Americans... CLAUDE PEPPER.

His Punch is His Signature

Was on the train up to Central City the other day and when the conductor came around, I asked him why their ticket punches make such odd-shaped holes in the ticket.

"Every conductor in the country has a different design for his punch," he tells me. "Some even show up a fellow's preferences. Now take mine: The hole it makes looks like a beer goblet."

Sure enough! Then he went on to say that the punch is just like the conductor's signature. Makes it easy to trace tickets... to check up if something happens.

From where I sit, even though your ticket is punched differently from mine, it still gets you where you're going. Just like people with their opinions. You might like coffee, another person, tea - and I'll settle for a temperate glass of beer. But what does it matter, so long as we respect the right of the other to have tastes and opinions? We're all trying to go in the same direction - towards a friendlier, more pleasant world for all of us.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Actions by the commission Monday included:

Adoption of a resolution designating Southern Memorial Day on April 26 and Memorial Day on May 30, as official holidays.

Heard a report from Commissioner C. Y. Byrd of Delray Beach that dredging operations in Lake Ida, a county park area, are underway and that the south end of the lake will be deepened.

Heard a report from Commissioner Kenneth Foster, District One, that procurement of right-of-way for widening Greenwood Ave. between West Palm Beach and Riviera Beach is underway.

Voted, at the request of Vice Chairman Paul Rardin, Canal Point, to request the State Road Department to proceed with resurfacing Conners Highway west

from 20-Mile Bend. Rardin reported that the work had been delayed until trees along the highway had been topped. The tree-topping project on the 14 mile stretch, he said, is now completed.

Heard Commissioner John Prince report that a condemnation suit to secure right-of-way for widening Federal Highway in Lake Worth, had been filed in Circuit Court. Prince said an attempt to obtain the necessary right-of-way for this project will be made as soon as possible.

Approved, at the request of Commissioner Prince, installation of traffic signal blinker at the intersection of Congress Ave. and Lake Worth Road.

Approved the purchase of right-of-way land for widening and re-

building a southern section of Military Trail.

Voted to appropriate \$60 for prizes for County Achievement Day to be held May 4 under the supervision of the Home Extension service. The exhibit will be held at the court house.

Adopted a resolution authorizing destruction of warrants and vouchers issued by the county which are more than five years old. The cancelled papers were ordered destroyed by state auditors.

Cinematic Chatter

By Malcolm Miller

You've got a mighty fine play coming to the Prince Theatre this Sunday Monday when "The Heiress" is screened. There's a mighty fine cast, too, headed by Olivia de Havilland, Montgomery Clift, Marian Hopkins and Ralph Richardson.

The story is wrapped around Miss de Havilland, who is cast as the ugly duckling daughter of a successful physician, who has a very healthy income. A handsome, persuasive tune hunter wants to elope with her. The father realizes the young man is a fortune hunter and tries to persuade his daughter to give him up. This she refuses to do.

When this young fortune hunter is led to believe that the elopement might cut her off from this very attractive income, he walks out on her. Miss de Havilland is very bitter toward her father about this, believing that he is the direct cause of all her troubles. She refuses to forgive him, even on his death bed.

Years later the young man returns on plans again to elope with her, but she locks the door on him and breaks off the romance.

It is a very tense play with tremendous acting on the parts of all the cast, and enough suspense to satisfy the most avid dramatic fan. I'm sure you'll like it—if you are fond of dramatics and appreciate good theatre art.

See you at the movies—Mal.

Communication

Pahokee, Fla.
April 25, 1950

Dear Paul and other Friends:

I am glad to get back to the Glades where I can soak up some of the wonderful sun shine that makes Florida famous. I found out a Florida cracker can't go back to a cold country where they have one blizzard after another and get away with it. I had the misfortune to get down with pneumonia out there, and it was anything but pleasant.

I was fortunate enough to get in a nice hospital with good nurses and a good Doctor so after all it could have been worse. Oklahoma is my native state and the people are wonderful out there, but still I am almost a complete stranger there these days.

It was O.B.'s fault that he was caught in Kansas and Oklahoma this time in March, but, if there is a next time, it will be someone else's fault.

Whether we run into a blizzard or a screen door, it takes some real explaining some time to clear up the situation. I shall always have a heart full of gratitude for the people of the Glades, for the sympathy that was shown me during my illness.

Sincerely,

O. B. McClure.

VOTE FOR

W. A. KEEN

Candidate For

Chief of Police Election Next Tuesday

I feel my past experience as a law enforcement officer for twenty years in this state dealing with criminals and solving crimes, fully qualifies me for this office. I have served as prison captain and studied the nature of crime, was police, deputy sheriff, and was elected sheriff of Sarasota County and have also done a lot of detective work solving three bank robberies, several safe-breaking jobs, a number of murder cases and lots of other bad crimes. I was highly commended by the W. J. Burns Detective Agency of New York, and Detectives of this state for solving many important cases of crime and apprehending the men. A large portion of this crime was solved by me after I was crippled while sheriff. I feel that I thoroughly know the duties of a law enforcement officer and if elected I shall drill my men as to their duties and the courtesy and good judgement to use while enforcing the law. I feel that there are capable young men in Pahokee, and I shall select and school some of them for this work. I shall faithfully perform the duties of this office so as to have a high standard of courteous and efficient law enforcement for Pahokee. I have been a successful businessman here in Pahokee for the past thirteen years. I own my home and other property here. I have a wife, two sons, and one daughter. We all belong to the Baptist Church here. If elected, I shall cooperate with the city council, mayor, and the different civic organizations, and the public, and help to promote a more progressive Pahokee. I will do my best to help pay the city out of debt. I do not believe in wasteful spending. I believe in handling the city's business just as carefully as I do my own and will see that every dollar the Police Department takes in will go to the city. I shall keep a correct set of books on all I do showing all money taken in and the disposition of each case, and will do my best to conduct the office in a manner that will be an honor to myself and men, and a credit to all of Pahokee. Experience means a success in any business, and I have had twenty years experience dealing with criminals and law enforcement. Thank you for your vote and support.

An Important Letter

Tampa, Florida
April 19, 1950.

TO WHOM IT MAY CONCERN:

I have known W. A. Keen for the past 20 years in law enforcement work and I have always known him to be a very efficient officer, very cooperative with other law enforcement officers, and a very able man.

It has been my experience with Mr. Keen that he well knows his work in apprehending criminals, as I have known him to clear up many cases that were important when he was sheriff.

Any support that you can give him would be greatly appreciated by me.

D. D. STEPHENS, Inspector of
Detectives, City of Tampa (Retired)

Following are two of the many letters I have showing that I have many years of experience to back up my qualifications which I have already advertised to you in this newspaper.

TO WHOM IT MAY CONCERN:

Many years ago this bank was robbed, during which time Mr. W. A. Keen was Sheriff of this county. Mr. W. J. Burns, head of the William J. Burns Detective Agency was called in on the case by the insurance company and the A. B. A., of which we are a member, and he personally made an investigation. When he arrived, however, the case had been solved by the then Sheriff, Mr. Keen, and Mr. Burns was quite complimentary of Mr. Keen's solution of the crime.

Yours very truly,
(Signed) H. W. Whitman
Executive Vice President
Palmer National Bank & Trust Co.
Sarasota, Florida.

TO WHOM IT MAY CONCERN:

This is to certify that I have known W. A. Keen for over forty years. I have known him to be sober and honest in all his business dealings and a part of this time I have known him as a law enforcement officer. During a part of this time I was a practicing attorney in the courts of this county and knew him to be recognized and outstanding as a law enforcement officer, and solved many cases of major crimes which took skilled work and required knowledge as a detective. One of these crimes was the robbery of the Palmer National Bank & Trust Company of this city, which was solved by him and was highly commended by the National Detective W. J. Burns for the skillful manner in which he solved this crime. He was also recognized by other law enforcement officers of this state as being capable and efficient in solving major crimes.

I do not hesitate to recommend W. A. Keen to any community of citizens for his ability as a law enforcement officer and as an outstanding citizen.

Yours very truly,

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding." The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good..."

PRESIDENTIAL FACT FINDING BOARD REPORT
Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

Clarence C. Stauffer

of Ft. Lauderdale

AS A MEMBER OF

Congress

(Sixth District)

"The issues of the Congressional race are clearly drawn. The incumbent announced at the time he filed for reelection that he was going to run on his record. The first time we appeared on the same platform together I challenged him to show that record.

This is the present Congressman's record in the 81st Congress: 13 bills introduced

1 of the 13 bills has passed lower house

12 bills have not passed either house.

Importance of bills
They are minor in nature not affecting our international affairs, not materially affecting our economy, not affecting to any degree our congressional District.

Example of the depth and type of his legislation

The only bill that has passed either house is one for the documentation of a Canadian built vessel, the North Wind owned by a citizen of the United States.

How important is this bill to the welfare of our country, of our Congressional District, to your personal welfare?

The Congressman has failed the farmer seriously in allowing the excise tax on beans, tomatoes, cucumbers and peppers to be lower in our growing season than it is in the growing season of the northern states. Thus Mexico and Cuba with 60c a day labor take advantage of this inadequate tax and flood our markets causing our products to hang on the vine.

He has failed the business men of the district by allowing the freight rate on feed, certain building material, and fertilizer to be \$40 to \$60 a carload higher for delivery in our district than for delivery in Miami. All of these commodities must go through our district before they get to Miami.

Pepper Continues His Battle For Votes

Driving hard down the stretch Senator Claude Pepper brought to more than a score of Florida communities this week his reelection campaign message that "we have got to keep on driving forward with more Roosevelt democracy."

Despite one of the most intensive speaking tours in Florida history, the 49-year-old senior senator appeared fresh and vigorous as the campaign entered its final full week.

Again and again, Pepper told his audience that just as during Roosevelt's time "there are a few timid people who want us to turn back from our great goal of bringing the American way of life to more and more Americans."

"But even though we are enjoying the greatest prosperity in our history, we know we have just reached the threshold of our progress," he continued. "By follow-

ing the policies laid down by President Roosevelt, we can continue increasing the purchasing power of all the people. We must not follow the false prophets who tell us one segment of American can be prosperous while another segment starves."

Charter Service For Airplane Travelers

Bill Golden, operator of the Glades Aviation Company, has inaugurated a charter plane service with headquarters in the Glades. Mr. Golden said yesterday that he is equipped with a new Stinson 4-place plane for the charter trips.

Mr. Golden pointed out that his service is available on short notice and that reasonable rates are in effect for trips to Tampa, Orlando, Jacksonville and Tallahassee. He suggests that in case you want to go some place in a hurry that you get in touch with him.

Jerry Carter Asks Re-Election To RRC

Further saving of millions of dollars in freight rates for Florida shippers are in prospect if the present railroad commission is allowed to continue its fight, according to Jerry W. Carter, one of the two members seeking re-election.

"Railroad officials have testified under oath before the interstate commerce commission that the Florida Railroad and Public Utilities Commission has prevented them from collecting \$2,000,000 a year in freight charges," said Commissioner Carter, in concluding his campaign speaking tour.

"This commission now is engaged in resisting efforts of the ICC to force higher rail freight rates on us. We expect to fight to the supreme court of the United States, if necessary, to prevent what we consider a discrimination against Florida shippers."

Jerry, as he is known throughout Florida, pointed with considerable pride to the recently successful Southern Governor's race case, which he started and defended for more than 10 years before it was ended to the satisfaction of Florida shippers. He said the commission expects to continue its present program of expanding all transportation and communications—telephone and telegraph—into rural and suburban areas, with the cooperation of the utilities concerned.

Carter was elected to the railroad commission in 1934, and has served since that time. He is a native of Alabama, has lived in Florida since 1906, is now 62 years old and is the father of seven sons and the grandfather of 14 boys and girls. He and Mrs. Carter live in Tallahassee.

Gardenia Circle Has Officer Slate

At a meeting of the Gardenia Club at the home of Mrs. Lester Duncan Tuesday the nominating committee recommended the following slate of new officers:

Mrs. C. G. Coburn, for president; Mrs. G. L. Sims, vice president and program chairman, and Mrs. W. S. Evans, secretary-treasurer. Mrs. F. W. Cross, Sr., was co-hostess.

Garden Club Group Adopts By-Laws

The Pahokee-Canal Point Garden Club met in the Legion Hall in Canal Point Tuesday afternoon to adopt a club constitution and by-laws.

Mrs. H. M. McIntosh, president, presided at the meeting. It was voted to raise the annual dues to \$3 a year, the dues to be payable through the period from the last meeting in May to the first meeting in September.

It was announced that all Garden Club members will be subject to a 10-cent fine for each time they are absent from a meeting and those absent from regular meetings three times in succession will automatically be dropped from the

membership roll. It was also announced that there will be no individual circle meetings in May, all members of the club to meet together, the time and place to be announced.

Reports were given on the club's plans for landscaping the Pahokee city park and other civic projects.

Prior to the general meeting the Gardenia, Poinsettia, Ixora and Hibiscus Circles met individually at homes of members to appoint nominating committees or receive the recommendations of nominating committees for the election of new circle officers for the coming year.

Club officers for the coming year include Mrs. H. M. McIntosh, president; Mrs. Jess M. Elliott, vice-president; Mrs. H. J. Clause, corresponding secretary; Mrs. Hazel Chastain, recording secretary; Mrs. O. R. Blech, treasurer. Standing committee chairmen are Mrs. F. M. Elliott, program; Mrs. George Ramey, publicity; Mrs. Ruth V. Meredith, visiting garden, and Mrs. Frank Friend, beautification.

Public Hearing On Sugar Wage Rates

The U. S. Department of Agriculture announced today that in accordance with the Sugar Act of 1948, a public hearing will be held on wage rates for the period July 1, 1950 through June 30, 1951 and on prices for the 1950 crop of sugarcane. The hearing will be held on May 6 in the Sugarland Park Auditorium at Clewiston, beginning at 10:00 a. m.

One of the conditions which producers must meet to qualify for payments under the Sugar Act of 1948 is to pay wage rates not less than those determined to be fair and reasonable by the Secretary of Agriculture after public hearing and investigation. The Act also provides, as a condition for payment, that processors who are also producers must pay for sugarcane purchased from other producers at prices determined to be fair and reasonable by the Secretary of Agriculture.

In order to obtain the best possible information, the Department requests that all interested persons appear at the hearing to present their views and present appropriate data in regard to wages and prices.

ANNOUNCES HIS CANDIDACY FOR

Mayor

of Pahokee with the following statement to the citizens:

I am a candidate for Mayor of the City of Pahokee May 2. I am a resident of this city for over 20 years, a taxpayer, a voter, a citizen who has been interested in public service these many years.

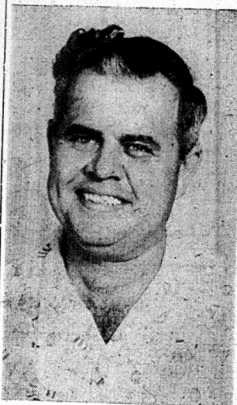

I will endeavor by cooperation of all elected officials and appointed personnel to find a means whereby the operation of this city can have a firm financial basis and strictly business administration.

I believe in majority rule but not majority control.

I believe in good administration, enforcement of charter laws and ordinances, recreation, beautification, sanitation, protection and courteous service by elected and appointed officials.

But most of all, I believe the citizens should show an interest in public affairs. A nominal interest at election time is not enough.

I promise a good administration of my office.

To My Friends In Pahokee

I would like to be your Mayor for reasons that I believe would benefit all of us, having been in business of Builders supplies, construction and real estate for the past sixteen years, I have been through good years and lean years, storms etc. I believe I am truly qualified, and know what Pahokee needs such as beautification to attract more tourists and keep our hotels, tourists camps and trailer parks filled, which will naturally cause us to need more of them, then interested people will help us to build first class hotels, tourists camps and trailer parks.

We have one of the most natural spots to entertain people with the lake at our door and one of the best airports in the state to say nothing of our fishing grounds and climate. Last but not least, the right kind of people that others want to know and mingle with.

Farmers, business men and laborers, whether retired or on vacation are extremely interested in our way of farming and packing the vegetables they eat, that alone would bring a great many here with a little advertising.

Then we have other problems such as the dip on the north end of Barfield highway which could be leveled easily with a small amount of pipe for drainage covered over.

Also with some effort we could have mail delivery service which would mean more jobs, that we already pay for.

The income of the city is sufficient to enable us to have a substantial Bank balance, but we will have to spend money where needed, and cut other expenditures down to necessary items.

If I am elected Mayor, I assure you I will work with the city officials and all citizens of Pahokee to make ours a bigger and better city.

For free transportation to the polls on May 2, call 2591.

Girl Scout Leaders Plan Camping Trip

Pahokee Girl Scout leaders and troop committee members met recently at the home of Mrs. H. M. McIntosh to complete plans for sending local scouts to Jupiter for a day of camping activities at Camp Margery Daniels on Saturday April 29, where they will be the guests of the Palm Beach Council of Girl Scouts.

The scouts, each to bring written consent from their parents to attend the camp, will assemble at the Pahokee school Saturday morning and the group will leave at 8:30 o'clock for the camp where they will participate in various scouting activities from 10 a. m. to 3 p. m. There will be a nosebag lunch at noon and a program of songs and folk dances in the afternoon. Each town in the West District will send its own motorcade of scouts to the camp.

Mrs. James H. Wilson was appointed community representative for the West District at the camp. Others planning to accompany the scouts to Jupiter include Mrs. Rupert Mock, Mrs. Elmer Jones, Mrs. Lewis Friend, Mrs. Dean Wilson, Mrs. C. A. Canipe, Mrs. Charles Kennen and Mrs. V. L. Geiger.

It was announced that a Girl Scout area meeting will be held in West Palm Beach at the Presbyterian Church on May 10 at 1:30 p. m., at which time Gretchen Kidd, field representative from the Atlanta Girl Scout office, will explain further plans for combining the district Girl Scout program. It was also announced that the next meeting of scout officials and committee members will be held at the home of Mrs. William Howard on May 11.

Hospital Increases Held In Abeyance

County commissioners at their regular meeting Monday deferred until next July at the budget sessions any action on a request by three local hospitals for an increase in fees for treating county patients.

According to Asst. County Auditor R. B. McKee, the three West Palm Beach hospitals, Good Samaritan and St. Mary's for white patients and Pine Ridge for negroes, now receive \$9.25 per day for treating county patients. The hospitals have contended that this amount is insufficient in the light of present day costs.

When the request for discussions on increased payments was presented to the board Monday, the commissioners voted to defer any action until the coming budget sessions.

Farm Bureau Will Hold Annual Meet Tuesday Nite, May 9

The annual meeting of the Everglades Unit of the Florida Farm Bureau will be held in Pahokee at the Woman's Club building on Tuesday night, May 9, according to an announcement by officials of the Bureau.

Members of the Bureau are working to get out the vote next Tuesday. A concerted effort is being made to urge all registered voters to participate in the election. The group is sponsoring no candidate but wants people to vote no matter for whom they vote.

The local unit of the Bureau is on record as being opposed to federal subsidies as they have been practiced through the years. The local unit is the first to take such a stand, it was pointed out by one of the officials.

Mr. and Mrs. Robert Apelgran of Miami visited her parents, Mr. and Mrs. O. B. McClure, in Pahokee over the weekend.

Mrs. Leon Spooner and her mother, Mrs. Charles Moran, visited Raymond Padgett at the Veterans Hospital in Miami Wednesday.

Encouragement Fund For 4-H Workers

County agricultural activities were stimulated by action taken by the county commission at its regular meeting on Monday.

On motion of Commissioner Paul Rardin, of Canal Point, the board agreed to disburse to the county agricultural bureau as needed a total of \$1,000 set aside in the budget for 4-H club work. The amount includes \$500 for boys' 4-H work, \$250 for girls' 4-H work and \$250 for 4-H girls' camps.

Also on motions by Commissioners Rardin and C. Y. Byrd of Delray Beach, John Causey, assistant county agent, was voted permission to attend extension courses June 12 to July 1 at Gainesville and in addition granted Causey permission to attend a Gladioli growers meeting at Bradenton April 28-29.

The board also gave M. U. Mounts, county agent who presented the requests for his department, authority to attend a state conference on cattle feeds produced in the Glades. The conference will be held in Gainesville June 4-5-6.

A fund of \$60 was granted by the board for Home Demonstration achievement events to be held in the courthouse on May 4.
